

TASTING, BITES AND DINNER WITH YOUR COLLEAGUES?

Our Urban Wine Tasting takes place in our wine bar, overlooking our winery where juices flow. You'll try 7 of our best wines and we'll tell you about our winemaking philosophy. We offer our tastings for €25,-* per person, up until a maximum of 30 people.

We offer our head chef Joey's popular aperitivo or antipasti, starting from € 15,-* per person (see the calculation example).

Want to stay afterwards for our family style dinner? Choose between 2-3 courses per person, starting at €28,-* (see the calculation example).

And of course, we offer you a full range of suitable wines and other drinks during dinner, and afterwards.
