

# CHATEAU AMSTERDAM X B2B

**TASTING / DINNER / GIFT**

Wine connects people and is one of the best ways to start a good conversation – or to keep it going. In the chateau you and your company are most welcome; we'd love to have you over for a glass or two.

Our restaurant and wine bar overlook the winery – where it all happens. Right next to the barrels and tanks, we offer an Urban Wine Tasting with bites. While we take you by the hand and dive into our philosophy of winemaking, you will taste seven of our Chateau Amsterdam wines.

You can choose to continue the evening with dinner in our praised restaurant with an Italian-inspired kitchen. It goes without saying that we happily advise you on wines to go with your food.

We also offer the possibility to take one of our Amsterdam-made wines home with you; packed in a cotton Chateau Amsterdam bag – the perfect (business) gift or as a memento just for you.

In this brochure you'll find the various possibilities for making a reservation. Of course, we are available for further questions, should you not find your answer here.

## Urban Wine Tasting

*with bites in our wine bar*

An extensive tasting in our wine bar, overlooking the barrels and tanks in which the wines were born. We explore with you our philosophy of winemaking – interesting to wine connoisseurs and beginners alike.

In about an hour and a half you'll taste seven of our wines, alongside bites from our Italian-inspired kitchen. A perfect start of an evening!

Alcohol-free options are also available upon request.

## Dinner

*in our restaurant*

Our chef Joey guarantees a delightful, Italian-inspired dinner – always with his surprising and authentic signature. Our staff completes your experience with their insight into your ideal wine.

For groups consisting of 15 people or more, Joey and his team put together a special pre-set menu. This could be a 3- or 4-course menu consisting of fish-, meat- or vegetarian dishes.

**3-course dinner – Antipasti – Pasta – Dolci**

**4-course dinner – Antipasti – Pasta – Secondi – Dolci**

We don't believe there is only one perfect wine for any specific food, and we prefer to advise you in the moment to help you find the perfect match based on your personal taste and what you're in the mood for. This is the reason we don't offer traditional wine pairing packages, and probably never will, but we're always more than happy to help you find the perfect wine for you.

Do you have allergies and/or dietary wishes? Fill in the form as complete as possible so that we can take this into account when making the necessary preparations.

## 5 Gifts

### *to take home*

Our Amsterdam-made wines are ideal (business) gifts for your company, business relations or just to take home as a memento. Choose your favorite wine after the tasting, or ask us for a suitable choice. They can be taken with you, in a Chateau Amsterdam cotton bag, or we can send them by post. We offer wines as gifts from our premium Fathers line and our modern Sons line.

## 6 Additional info for groups above 25 persons

In order to arrange everything to your wishes, we kindly ask you to take notice of the following points when filling out the form

**A.** Please indicate – to the best of your knowledge – how many people will attend. This is important for us to indicate the space and availability.

**B.** Indicate a time schedule that is as specific as possible, so that we can quickly check whether the desired time slot is available.

**C.** Will you stay for dinner and enjoy our pre-set 3- or 4-course dinner? Then additionally indicate how many people opt for meat, fish or vegetarian.

**D.** Finally, we would like to know the reason for the event. With this information we can make your visit as pleasant and appropriate as possible.

After we check the availability, one of our colleagues will contact you to complete the reservation. We then ask you for a downpayment. This amount will be deducted from the final invoice. After completing this downpayment, the reservation is confirmed and we begin the preparations!

In case of any changes or additions to the reservation, we ask you to get in touch with our contact-person you completed the reservation with, at least two weeks before the event.
