## Private Events

Wine connects people and is one of the best ways to start a good conversation - or to keep it going. In the chateau you and your company are most welcome; we'd love to have you over for a glass or two.

Our restaurant and tasting room overlook the winery - where it all happens. Right next to the barrels and tanks, we offer an Urban Wine Tasting with bites. While we take you by the hand and dive into our philosophy of winemaking, you will taste a selection of Chateau Amsterdam wines.

You can choose to continue the evening with dinner in our praised restaurant with an Italian-inspired kitchen. It goes without saying that we happily advise you on wines to go with your food.

We also offer the possibility to take one of our Amsterdam-made wines home with you; packed in a custom Chateau Amsterdam wine tube - the perfect (business) gift or as a memento just for you.

We are a perfect choice whether you are looking for an intimate birthday setting or big corporate event.

In this brochure you'll find the various possibilities for making a reservation. Of course, we are available for further questions, should you not find your answer here.

## Book Your Event

Please indicate in your call or email - to the best of your knowledge - how many people will attend. This is important for us to indicate the space and availability.

Indicate a time schedule that is as specific as possible, so that we can quickly check whether the desired time slot is available.

Will you stay for dinner and enjoy our pre-set 3- or 4-course dinner? Then additionally indicate how many people opt for meat, fish, vegetarian or vegan at least three weeks before your arrival.

Finally, we would like to know the reason for the event. With this information we can make your visit as pleasant and appropriate as possible.

After we check the availability, one of our colleagues will contact you to complete the reservation. We then ask you for a downpayment of 50% of the quote. This amount will be deducted from the final invoice. After completing this downpayment, the reservation is confirmed and we begin the preparations!

In case of any changes or additions to the reservation, we ask you to get in touch with us at least two weeks before the event.

We look forward to welcoming you at Chateau Amsterdam!
