

## WINE MENU

### SPARKLING

Piquette d'Amsterdam '22 glass 5 bottle 25

*A circular product made from the must of the wine production. A fresh and fruity drink, with bubbles and low in alcohol.*

Pet Nat, Moscatel (ES) '22\* glass 7 bottle 35

*A sparkling wine, just like it was made 200 years ago. Refreshing, and thanks to the moscatel enriched with tropical aromas.*

### WHITE

Chenin Blanc (FR) + Garganega (IT) '22\* glass 6.5 carafe 19 bottle 32.5

*This unique and seductive combination of French and Italian comes together to create a fresh, full-bodied and playful white wine.*

Macabeo (ES) + Chardonnay (DE) '22\* glass 6.5 bottle 32.5

*Macabeo is often used for cava, but in combination with chardonnay you get a full-bodied and rich wine with a long aftertaste of subtle minerals.*

Riesling (DE) + Moscatel (ES) '22\* glass 6.5 carafe 19 bottle 32.5

*Two extremes combined in one glass. The citrus in the riesling provides a fine acidity, while the moscatel provides the tropical tones. A fresh wine, with a subtle bitterness in the aftertaste.*

Sauvignon Blanc (FR) + Garganega (IT) '22\* glass 6.5 carafe 19 bottle 32.5

*A tropical feast of Mediterranean influences. Sauvignon, in addition to citrus, always has a slightly green aroma. This goes well with the fresh tones of ripe apples from the garganega.*

The Most Beautiful Girl, Riesling (DE), '22\*\* glass 9.5 bottle 47.5

*Unique in its kind due to 6 months of fermentation and maturation on wood. This makes it a serious wine, with a hint of honey and toast.*

The Fat Lady Sings, Chardonnay (DE), '22\*\* glass 9.5 bottle 47.5

*Chardonnay as it should be, with that characteristic buttery and vanilla note through fermentation and maturation on oak.*

Nouveau Riche, Viognier (FR), '22\*\* glass 9.5 bottle 47.5

*A stroke of luck! Initially intended very differently, but perhaps even more beautiful for that reason. Ultimate viognier, floral, soft and very fruity.*

### ORANGE

Pinot Grigio (IT) + Moscatel (ES) '22\* glass 7 bottle 35

*Funky, fruity and truly orange. "White" grapes fermented with the skins. Refreshing, but also surprisingly spicy with even a hint of tannin.*

## SWEET

Sweet Moscatel (ES) '22\* glass 5 bottle 35

*Our own fortified wine. By adding alcohol, the fermentation stops and residual sugar remains. Not too sweet, and therefore well-suited to be paired with cheese.*

## RED

Mourvèdre (FR) + Garnacha (ES) '22\* glass 6.5 carafe 19 bottle 32.5

*85% Mourvèdre makes the wine deliciously juicy. The 15% Garnacha is oak-aged and spicy. A deep ruby red wine full of cherries, spices and earthy tones.*

Gamay (FR) + Malbec (FR) '22\* glass 6.5 carafe 19 bottle 32.5

*A unique combination of fruity, juicy gamay and a 'forgotten' Bordeaux grape.*

Sangiovese (IT) + Cabernet Franc (FR) '22\* glass 6.5 carafe 19 bottle 32.5

*Tuscany meets Loire. Robust and complex, with aromas of berries and sour cherries, topped with a hint of oak.*

Fantastic Mr Fox, Pinot Noir (FR) '22\*\* glass 9.5 bottle 32.5

*Named after the first grape supplier. Aged on stainless steel so fruity, but with wooden bars for a refined vanilla aroma.*

Mayor's Choice, Garnacha (ES) '22\*\* glass 9.5 bottle 47.5

*With grapes from the schist-rich soil of Priorat. The 8 months in an oak barrel ensure a spicy aftertaste.*

The Man With The Hat, Merlot (FR) '22\*\* glass 9.5 bottle 47.5

*After 8 months of fermentation and maturation in a barrique, this becomes an unusual but tasty merlot, with aromas of dark fruit, spices and soft tannins.*

The Blissful Marquis glass 9.5 bottle 47.5

Sangiovese (IT), Cabernet Franc (FR), Merlot (FR) '22\*\*

*Our variant of a Super Tuscan. The sangiovese and cabernet franc provide the tannin, the oak-aged merlot brings the body.*

Lucky Lucy, Syrah (FR) '22\*\* glass 9.5 bottle 47.5

*Bottled unfiltered! The many small particles make the wine structured, full-bodied & very spicy.*

## LIMITED EDITION AND VINTAGE 2021

*Due to high demand, we only have limited stock of the red wines below, so be quick and order something unique!*

Mayors Choice, Garnacha (ES), 21\*\* bottle 48

*Named after one of the first grape suppliers, who was also a mayor. With an extra year of aging, the tannins have matured further and the wine is even nicer to drink.*

Lucky Lucy, Syrah (FR) '21\*\* bottle 52

*One of the last wines made by the original father, Jos Harrewijn. With the distinctive aromas of syrah; black fruit and ground pepper.*

Lucky Lucy, unfiltered, Syrah (FR) '21\*\* bottle 54

*Also made by Jos Harrewijn. Especially deeply colored because the wine was bottled unfiltered. Adorned by age with ripe tannins and a hint of tobacco.*
